**T**he Allenhouse Institute of Technology, Kanpur, has been adjudged as the best upcoming engineering college amongst all the new private engineering colleges in the city. The Times Research which carried out a market research has adjudged it as the best engineering college.

The award was conferred on the AIT by Dr Kiran Bedi at a ceremony held at Hotel Crown Plaza on May 29. The award was received by Javed Hashmi, Joint Secretary, AIT was governed by Superhouse Education Foundation(SEF) a part of Superhouse Group.

The institute offers B Tech Degree courses in four disciplines— Computer Science and Engineering, Electronics and Communication Mechanical and Electrical and Electronics engineering. It has also decided to start civil engineering course from session 2010-11. The institute has emerged as one of the most sought after

engineering college more because of its state-of-the-art infrastructure and experienced faculty.

Besides it has collaborative linkages with industries in the fields of automobile, aerospace, defence, textile, machine tools, software development and manufacturing sector.

Currently seven public schools were being run under the SEF and soon it would be establishing a management college by the name of Allenhouse Business School.
