WORKSHOP HELD

The Allenhouse Institution organised a workshop on soft skill development on Saturday. The workshop was inaugurated by Dr Binod Mishra of IIT Roorkee.

Speaking on the occasion, Mishra said that soft skills were the gateway to success for professional students and added that in today's competitive world, students were left with no other choice but to add value to their academic skills to exhibit their true potentials.

He also held discussion on personality development, communication, Information Technology, Public Relation, customer service, teaching, writing and presentation skills.

CMD Mukhtarul Amin and Javed Hashmi along with AN Singh and several others were also present on the occasion.
